Pastor Aaron Richter

January 31, 2018

Parents,

Even though we continue to be in the middle of another notoriously brutal San Antonio winter, summer is around the corner. As summer quickly approaches I wanted to send you some information on the summer camp program we are promoting for youth the week of June 17-22. Summer camp has been very influential in the lives of our youth and we want your kids to have the same wonderful experiences. We believe that this camp will be an awesome experience for the kids to learn about God, living in community and what it means to be a disciple of Jesus.

Camp Chrysalis is an awesome Lutheran camp outside of Kerrville, TX with beautiful scenery, fun games, and wonderful programming. They have activities which include archery, arts and crafts, swimming, boating, hiking and more. During the week of camp, your child will stay in a cabin with a camp counselor and other kids their age. The entire week is based around the theme of “**Here I am**” and campers will discover the ways we interact and grow with God through prayer. If you would like to learn more about Camp Chrysalis, we will have summer camp informational packets in the church office or you can get more information from their website – www.crosstrails.org.

The cost of the week of camp is **\$150** for each program – Explorers (2nd-3rd grade), Yearlings (4th-5th grade), and Confirmation (6-8th grade). You really can't beat this price for summer camp. The week of camp is inexpensive because white envelopes (budget) and fundraisers help offset the cost of the program.

If this program is something that your child would enjoy, download a registration form to get your child registered. Turn in your registration form and payment to the church by Sunday, February 25; the church will take care of the remaining balance when it is due.

If you have any questions about Camp Chrysalis or need financial assistance, please do not hesitate to ask. We want all kids that want to go to have that ability and we will do whatever we can to make that happen. I look forward to this summer and our week at Chrysalis.

Sincerely,

Chris St.Clair

Family and Youth Minister

Download forms at <http://www.triumphantlutheran.org/summercamp>

Make sure your form has:

Home Congregation: Triumphant

Congregation City: Garden Ridge

Camp Session: June 17-22

Cost

\$150 per person

Program Options

Explorers (2nd-3rd graders)
Yearlings (4th-5th graders)
