Pastor Aaron Richter

January 12, 2022

Parents,

Even though we are in the middle of another notoriously “brutal” San Antonio winter, summer is around the corner. As summer approaches, I wanted to send you some information on the summer camp program Triumphant is providing for youth. Summer camp has been very influential in the lives of our youth, and your kids will have the same opportunity to enjoy this wonderful experience. It will be an awesome experience for the kids to learn about God, living in community, and what it means to be a disciple of Jesus.

Camp Chrysalis is an awesome Lutheran camp outside of Kerrville, Texas with beautiful scenery, fun games, and meaningful programming. Camp activities include archery, arts and crafts, swimming, boating, hiking and more. During the week of camp, your child will stay in a cabin with a camp counselor and other kids their age. The entire week is based on the theme “**Ready, Set, Go!**” where campers will explore how to ignite faith. You can learn more about Camp Chrysalis from their website – www.crosstrails.org. Summer camp is inexpensive because our church budget (offerings) and fundraisers help offset the cost of the program.

For our 2nd-8th graders, camp programs and activities are based on their age group - Explorers (2nd-3rd grade), Yearlings (4th-5th grade), Confirmation (6-8th grade). Camp week is June 26-July 1 and costs **\$210 per person**. You really can't beat this price for summer camp.

If summer camp is something that your child would enjoy, please register your child as soon as possible as spots are limited. Complete the 2-part registration process by Sunday, February 27; the church will take care of the remaining balance when it is due.

If you have any questions about Camp Chrysalis or need financial assistance, please do not hesitate to ask. Knowing the impact this camp has on youth, our church wants all kids that want to go to have that ability and we will do what we can to make that happen.

Sincerely,

Chris St. Clair

Family and Youth Minister
